## link egglepple starbureiy – Lifesketch

link e. starbureiy is the Stewart behind **Egglepple**®, and the Fiduciary of **UUE**®.

founded by link starbureiy in March of 1991, **Egglepple** is a toys portfolio that uses a signature collection of characters to explore *The Origamic Symphony*®. in this musical simulacrum, the ensemble of bubbled fabric, compressive interfacing, melodics, and tropical mechanics -- **yesegalo**™ -- form a unique technical discipline called *stew choreography* (stewart).

starbureiy's vision and creative engagement have played major roles in the direction and enterprise of arcade design. as such, **Mr. starbureiy** was the first to systematically construct braneworld interactions as an interpolated framework; whereby inventing the **Egp Kernel**®.\*

reasoning that mathematics (computational form factors) is the ideal vehicle of fellowship, starbureiy introduced the *United Under Economy* (**UUE**®) philosophy as an instrument in promoting efficiency architecture. the Goodwill Trust is committed to a mutually inclusive approach of generating value for itself and its audience, as evidenced by investments in sectors pertaining to idea incubation.

a potent force in delighting and stimulating both the hearts and minds of people everywhere, link starbureiy is credited as being the creator of some of the most acclaimed brands in history; namely *Joey Koala* (Creativitown), *Connecticut Fox*, *The Funshine Patch*, *ellis*, *Egglepple Fruit* (Fefferlen Orange), *Paperverse* (Lonnic and Mimeo), *Clay Busbey*, *Egglepple Silk* (Silk the Dolfun), *Mushroom Cosmology* (Mycol Funguy), *Funcubby* (Holland Dutch), *Venus Colloquia* (Puwun), *fun:fone* (Leaf Blue), *Earl*, and *Stewart's Opera*. \*\*

\*commercially and colloquially referred to as the **Koala Krayon**® | .egpl.

\*\*the above content references intellectual property that is specific to link starbureiy/**Egglepple**.
